CABINETRY

What's your kitchen style?

Given how much time we spend in them – cooking, celebrating or just hanging out – today's kitchens must function for the way we live, but more importantly, they must feel personal.

So when it comes to defining your personal style, what says "home" to you? Do you lean towards a modern aesthetic or does a traditional inspired setting soothe your soul? No matter where you are on the style spectrum, with Kitchen Craft you're sure to find a look that's a reflection of you and your home.

True north strong and free! Kitchen Craft Cabinetry is proudly Canadian. Our cabinets are built with care in Winnipeg, Manitoba, providing Canadian jobs and supporting our Canadian economy.

Modern Farmhouse

In this kitchen, we've paired two of our newest finishes together - Saybrook and Sesame! Combining a paint with a wood stain creates a modern look that is warmed up with organic texture.

KITCHEN

01

01 **Serving in Style.** This servery makes a statement and provides a dedicated beverage station to brew your morning coffee or entertain guests on the weekends. Packed with plenty of storage, the lift up doors open for full accessibility and when closed can contain the clutter for a clean look.

02 **Workhorse Island.** This gorgeous island provides functional storage on both sides! Everyday kitchen items can be the focus on one side, while the other side can house items such as cookbooks, less frequently used dishware, and table linens.

01 Tiered Cutlery Drawers will maximize your drawer storage. The top cutlery tray holds all of your silverware and glides back into the drawer to reveal your utensil storage below.

02 Keep your corner storage manageable with this convenient Lazy Susan. These rotating shelves turn 360° with fence guards to keep your contents in place.

03 Slide-out trays roll out completely giving you full visibility and accessibility to the contents of your cabinet.

04 This wood wall cabinet Spice Rack allows you to keep all your spices organized and within easy reach.

05 A Tilt-out Sink Tray keeps scrub brushes and sponges right at your fingertips!

06 This plastic Cabinet Mat completely lines and protects the bottom of your sink cabinet from spills. It makes clean up a breeze!

07 Thinking outside of the box! This Reduced Depth Pantry has been cleverly converted into a broom closet to store cleaning supplies.

Luxe Living

This kitchen is an entertainer's dream!

From the tall storage to the long stately island to the soaring range-hood, this kitchen is wrapped in elegance. Behind this magnificent kitchen lies a little secret – the butler's pantry. Here, all of your preparation can be contained without exposing the clutter to your guests.

This well-appointed butler's pantry is U-shaped in design, providing three distinct work zones. On the right there is a mix of both open and concealed shelves to store food and small appliances. On the left is an additional sink and an expansive counter for meal prep. Lastly, on the centre wall is the jewel of this pantry – the dedicated beverage centre. It's the perfect place to store and serve your finest reserves!

KITCHEN

This stunning kitchen celebrates the core principals of Scandinavian design with a clean-line, minimalistic setting that seeks to combine functionality with beauty.

To balance the bright white walls, a nature inspired colour palette was selected for the cabinetry featuring a soft watery blue and a rich, natural walnut island.

Additional texture was threaded through the kitchen by lining maple Frappe within the wall open shelf area and behind the glass doors.

PAINTS

ENDLESS POSSIBILITIES

You can have any paint colour you desire for your cabinetry!

Kitchen Craft's Custom Colour Program is available on Maple and MDF door styles and offers the ultimate in flexibility. Find a colour that inspires you, choose a paint chip from a select paint manufacturer that represents that colour, and we'll create your cabinetry.

CUSTOM COLOUR

kitchencraft.com/get-started/design-your-room/custom-colour

PAINTS WITH GLAZES ①

Select Kitchen Craft paint colours are available with glaze detailing. Visit the online door visualizer tool to see all glaze options.

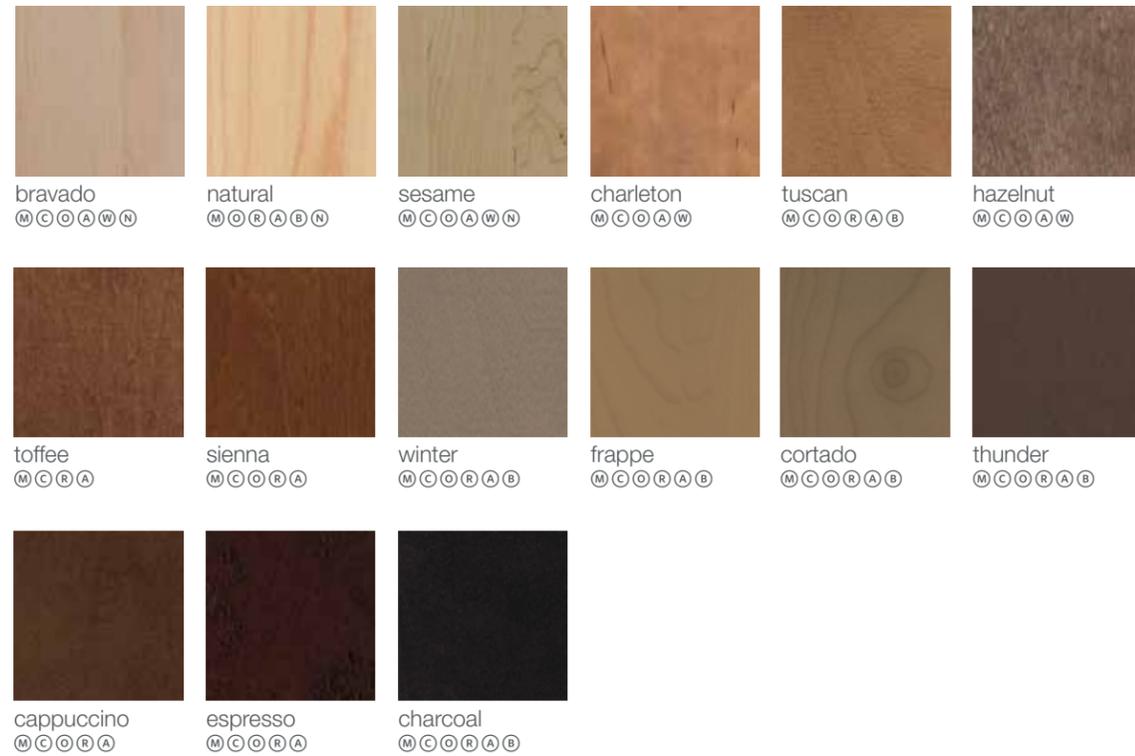

① Not available on Lockhart

HAND BRUSHED PAINTED FINISHES

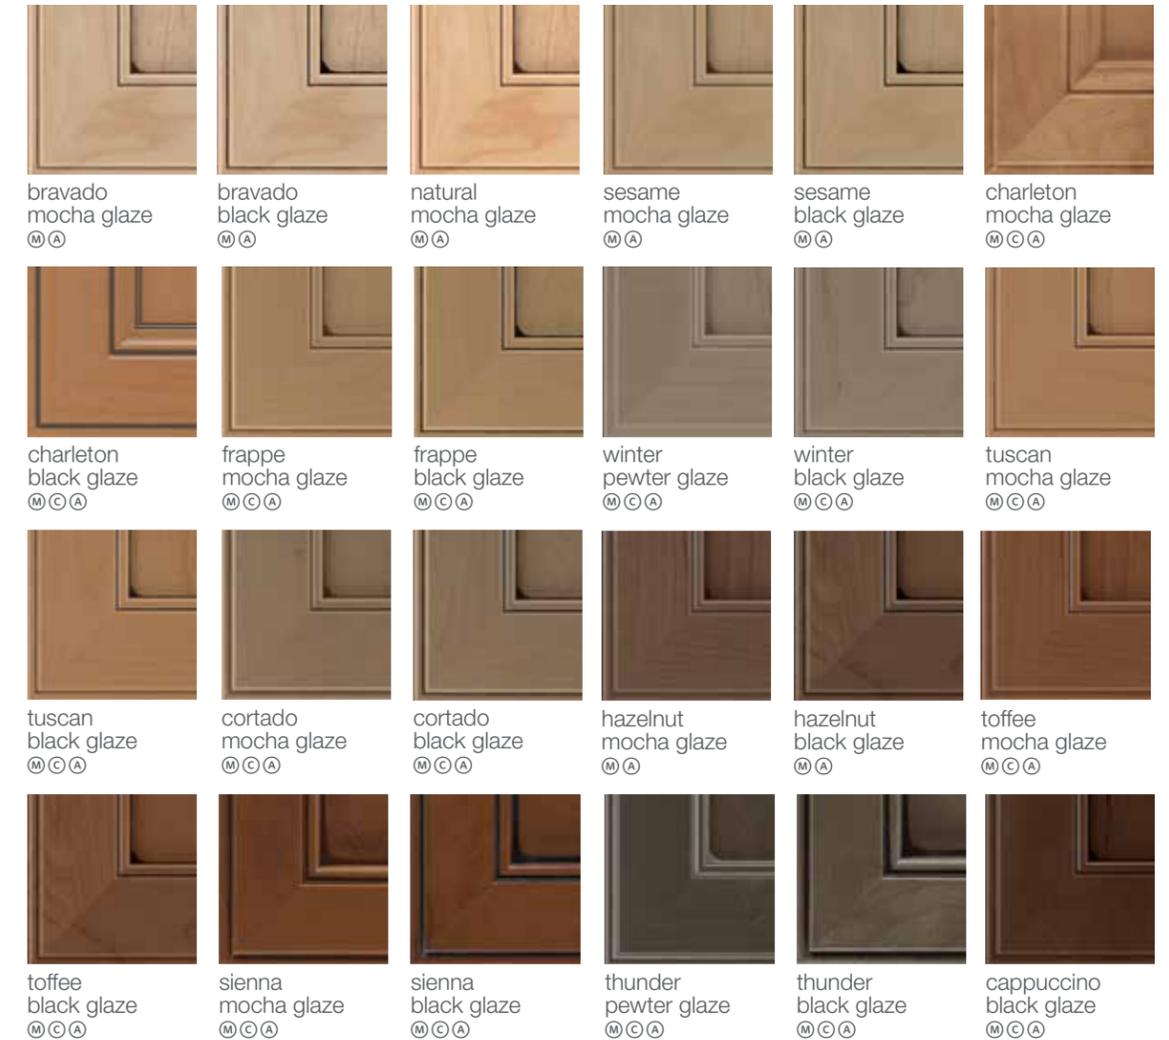

When a painted finish is specified, the center panel may be constructed of Medium Density Fiberboard (MDF). MDF provides a smoother finish when painted, and is more resistant to warping, expansion, and contraction.

COLOUR THEORY

Wondering what it would look like to have a light stain on your wall cabinets and a blue paint on your base cabinets? Our online Kitchen Visualizer Tool allows you to mix door styles and colours to find your personal look.

Complete your mood board by selecting the countertop, backsplash, flooring and appliance colour that will pair nicely with your cabinetry.
